

vdr-plugin-live - Bug #1757

error: VideoDiskSpace was not declared in this scope

03/09/2014 11:46 PM - Anonymous

Status:	Closed	Start date:	03/09/2014
Priority:	Normal	Due date:	
Assignee:	tadi	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	vdr-live-0.4.0		
Description			
Dear Developers,			
Has you can see below with the next VDR release 2.1.5 we have an new issue. It should be an error with VideoDirectory vs cVideoDirectory::Name()			
Cheers.			
Bernard.
