

vdr-plugin-muggle - Bug #37

Set default collection will not set default collection

12/22/2008 04:20 PM - Thomas

Status:	Closed	Start date:	12/22/2008
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
If you change the default collection, you will get the Message Default collection now is '...', than you press OK. If you now close the Muggle Menu, the default collection isn't changed . It will only be changed if you go to an other muggle dialog like the music browser or commands.			

History

#1 - 12/23/2008 10:14 PM - wrohdewald

- Status changed from New to Resolved

fixed: the OSD destructor now saves the state

#2 - 12/24/2008 11:32 AM - wrohdewald

- Status changed from Resolved to Closed
